Dear Mr. Lebovic,

We are writing to you with exclusive news of a new world-first achieved by UHN's Transplant Program thanks to your generosity and support.

On Saturday, November 25th, we performed the world's first kidney transplant in which we repaired a donor kidney outside of the body (*ex vivo*) before transplanting it into a patient. You saw an example of *ex vivo* kidney repair firsthand when you visited our laboratory several years ago. Your support is helping our Program to launch a world-first clinical trial to evaluate the safety and feasibility of this technique, developed and optimized at UHN and building on our global leadership and success in *ex vivo* lung and liver repair. Over the next year, the *ex vivo* kidney perfusion protocol will expand to repair damaged donor kidneys that could not otherwise be used, making them suitable for transplantation into patients. This will significantly increase the number of lives that can be saved through kidney transplantation and has the potential to double the number of kidney transplants worldwide.

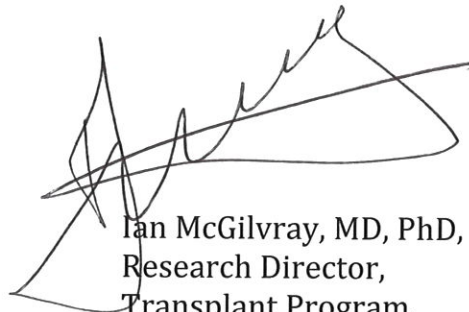

We are delighted to report that the patient is recovering well following his surgery and had already returned home less than a week after his surgery. We wanted you to be the very first to hear about this important milestone for our Program that you have helped to make possible.

All of us at UHN would like to thank you once again for your exemplary support, which has fueled our team's progress from the laboratory to the clinic, and is saving and transforming lives every day.

With all best regards,

Dear Mr. Joseph Lebovic and Mr. Wolf Lebovic,

On behalf of the Board of Directors and myself, The Concerned Kids Charity of Toronto would like to acknowledge receipt of the very generous endorsement of \$155,000.00 from The Joseph Charitable Foundation and The Wolf Charitable Foundation.

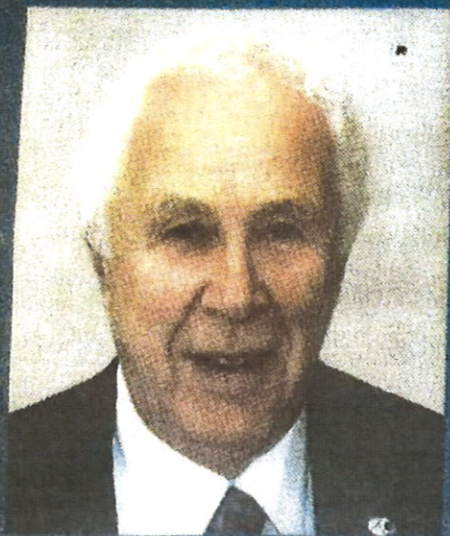

These much needed funds will help support ongoing operational funding of our current programs and assist with continued program expansion. It is foundations such as yours that allow The Concerned Kids to do what it does best...provide interactive educational puppet performances to elementary school aged children in Toronto and GTA about serious and sensitive subject matter that youth face during their informative school years. Our Program Topics address issues about: Mental Health; Bullying Prevention/Feeling Safe at School; Cyber-bullying; Safety Lessons (stranger danger/getting lost/calling 911); Life Lessons (practicing good manners on the playground/name calling); Peer Pressure/Substance Abuse; Vandalism/Graffiti Prevention; Healthy Kids (exercise/nutrition/healthy minds); Understanding Consent (respecting personal boundaries/forming healthy relationships); and Accepting Differences (Physical/Developmental/Autism Spectrum Disorder).

Our life sized puppets allow for factual, unbiased information in an entertaining, non-threatening, child centered way. Through the magic of theatre, puppet characters share their own personal experiences, role play, illustrate sensitive issues and teach practical skills to our young audiences. Our programs are delivered in an age appropriate context and provide an opportunity for questions and discussion. Thank you for your support of our organization.

With sincere and warm appreciation,

Tinda Holland

We are Incredibly Grateful!

Dear Mr. Lebovic,

On behalf of our patients – present and future – our Board of Directors, volunteers, doctors and staff, we're writing to thank you sincerely for your sponsorship and support of the first-ever Toronto Rehab Golf Classic on June 20th.

It's no understatement to say that our event was a smashing success in every respect! Despite somewhat unsettled weather, 116 golfers had the privilege to play Lebovic Golf Club, and enjoy a gala lunch, dinner and cocktails in the company of some of the most popular Toronto Maple Leaf players of all time. That, and an evening program hosted by TVO's Steve Paikin, and featuring former Chicago Blackhawk Dennis Hull as our hilarious speaker and auctioneer.

In total, our Golf Classic raised over \$150,000 for Toronto Rehab, and in particular, the Hull-Ellis Concussion and Research Clinic. Opened just over two years ago, Hull-Ellis is already making significant advances in the understanding of cognitive disorders, and the treatment of concussion. The funds raised at the Golf Classic will be critically important to further study in these areas, and develop a best practice model of care that others can emulate across the province, country and globally.

In a city where there are so many important and worthy causes, and events, that seek corporate and philanthropic support, we recognize how much pressure you face in choosing and contributing to the ones you believe deserve your attention. We are deeply grateful that you chose Toronto Rehab, and that you support our work in helping patients get back on their feet – literally – and in Making Incredible Happen!

Yours very truly,

Ron Ellis

Dear Wolf,

It is an honor and pleasure to inform you that the Senate of the Hebrew University of Jerusalem, at its meeting on 25th October 2017, resolved to confer upon you the degree of Doctor Philosophiae Honoris Causa of the Hebrew University of Jerusalem.

In making its decision, the Senate wishes to acknowledge your philanthropic undertakings on behalf of the State of Israel. As Holocaust survivors, you, your father and brother, transcended your experiences with hard work, focus and business acumen and created a success story. Your commitment to the Jewish community, rooted in your personal life, has led to your support of institutions both in Canada and in Israel. Most noteworthy of the institutions you support in Israel are the Jewish National Fund, Israel Bonds and "Shaare Zedek" Hospital, among many more. You have received many awards for your life's work from the Canadian Government and the Canadian Jewish community and we are honored to offer you the highest award of the Hebrew University of Jerusalem as well.

A representative from the Hebrew University management will be delighted to participate in the celebration to be held in Toronto where you will receive this well-deserved award.

Dear Friend,

On behalf of SickKids Foundation, I'd like to thank you for your generous sponsorship of \$500 to the Music for Heart Beats Concert, held on June 23rd. We are extremely grateful to this event for the incredible support they provide our Hospital through their fundraising efforts. Without friends and supporters like you, the event would have never reached such a high level of success.

The support SickKids receives from its community is integral to achieving the world-leadership role to which we aspire. Thanks to philanthropically inclined individuals and companies like you, who understand the importance of making our children's health a priority, SickKids has the tools and resources it needs to conduct ground-breaking health research, to educate the scientists and healthcare leaders of tomorrow, and to provide our patients with the absolute best care the world has to offer.

Thank you for understanding the importance of making our children's health a priority and for believing in the transformational power of philanthropy. Because you believe, countless sick children will not only feel better - they will be better, too.

Sincerely,

Sydney Oastler
Associate, Events Department

Dear Messrs. Lebovic,

We would like to thank you very much for your extreme generosity in supporting this year's 14th Annual Adath Israel Golf Tournament. It was great day and everyone enjoyed good (i.e. no rain) weather, a great round of golf and a good time with friends and business associates.

We are excited to announce that this year's tournament raised a grand total of \$74,155! This was one of our best years to date. We could not have done this without your dedication to this important fundraising event.

Each year, the golf committee looks for initiatives to enhance the Adath Israel experience for everyone. The theme of this year's fundraising was "honouring the past and preparing for the future".

The funds raised this year will go for two important needs: 1. necessary repairs at the Roselawn Adath Israel Section cemetery; and 2. young family programming, so that we may remain relevant to fulfill the needs of young families.

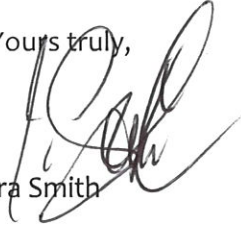

Since its inception, the golf tournament has helped us raise over \$474,000 for Adath Israel allowing us to better serve our community through programmes, education and services.

We understand that everyone is busy and that there are many charitable activities that you might have chosen to support. We are so grateful for your commitment to Adath Israel and can't thank you enough for your support of this worthy cause.

Thank you also for allowing us to reserve May 29, 2018 for our 15th annual fundraising golf tournament.

Finally, we would like to honour you in our Shul for your generosity. We have several ideas, but would first like to discuss them with you. Please at your convenience, contact Co-chair Ira Smith at 905.738.4167 x111 to discuss.

Yours truly,

Ira Smith
