Dear Mr. Lebovic and Dr. Lebovic,

Thank you so much again for your incredible gift to Shaare Zedek Medical Center in Jerusalem. The generous donation of \$1,600,000 for the golf tournament which we held at your golf club on Wednesday, September 27, 2017 will benefit Shaare Zedek Medical Center's highest priority needs. Enclosed, please find two non-official receipts for your files.

Dr. Lebovic, I want to personally thank you again for welcoming me into your home and for a grand tour. It was a privilege to see the craftsmanship of both your home and the new development. I was so pleased that you were able to attend the dinner to see firsthand how much our donors enjoyed the event at your golf club.

We were thrilled with the success of the golf event which raised over \$160,000 for the hospital. This would never have been possible without your generous support. Thank you!

With warmest regards,

Hi Lisa

Shana Tova to you. You and your team did an amazing job executing the golf day. It truly was amazing and you know I've played in (too) many of these events not to notice near perfection!!

My friends and I had the best time. Curtis Joesph and all the celebrity athletes, but Curtis especially, were amazing to be around. I was thoroughly impressed and couldn't be happier for the hospital foundation.

Congrats to everybody. Amazing job all the way around. I'm so excited to come back and defend our title next year!

One thing that happened with my friend Mark Joshua. I don't know what he was thinking but I think he traded in his titleist driver for a kelly Gruber autographed jersey. He was clearly drunk and high and really not himself when he did that.

Is there a way that he could take that driver back (it was our prize for winning the tournament) and then making a donation in return for acquiring the kelly Gruber jersey?

Thanks so much.

Dear Mr. Lebovic,

For 60 years, our donors, alumni, and volunteers have been at the forefront of our achievements. The enclosed 2016-17 Report on Giving is a celebration of the accomplishments of the past year, made possible by your generous financial investment.

Our world is a complex and wondrous place where people come together in the pursuit of happiness, prosperity, and good health. But as it can also be a place of uncertainty and volatility, the solutions to the challenges of the next few years require the kind of creative, courageous, and innovative thought leaders who work at and graduate from the University and the Affiliated and Federated Institutions of Waterloo.

Due in large part to a very engaged and committed donor community, Waterloo is considered an international leader in frontier disciplines with a reputation for excellence and innovation in teaching, learning, and discovery. Our donors understand the importance of their loyal financial support on the impact of our students and faculty in Canada and around the globe.

Thank you for your investment in the future of Waterloo. It is a privilege to earn your trust, and to ensure your philanthropic gifts are managed in ways that honour your intent. I hope you enjoy reading our stories and recognize how your support has made a tangible difference. You can also read the digital version of the Report at uwaterloo.ca/report-on-giving.

We would like to acknowledge his wonderful contribution in our foundation website annual donor listing. Can you please confirm how this support should be recognized by the end of this week, if possible.

We received a similar contribution from The Wolf Lebovic Charitable Foundation. Would you be able to tell me how we can confirm the appropriate acknowledgement of his brother's contribution to the same event in our annual donor listing.

Thank you for your donation of \$77,500.00 to TanenbaumCHAT in support of Golf Tournament 2018 that we received through The Dr. Wolf Lebovic Charitable Foundation on September 13, 2017. Dear Dr. Lebovic,

I have enclosed our winter edition of *HEARTBEAT* and hope that you enjoy reading stories which highlight the exciting developments that have transpired at Shaare Zedek Medical Center and through our Canadian foundation over the last few months. I hope that these stories resonate with you and continue to validate your decision to generously support the hospital.

During my recent visit to Israel, I had the pleasure of witnessing first-hand the impact that your philanthropy has contributed to the hospital's growth and advancements in medicine. Thanks to your continuous support, Shaare Zedek has remained the fastest growing and now, with the recent JCI Gold Seal Accreditation, is the highest rated academic hospital in Jerusalem.

We continue to provide world class care and internationally recognized research achievements advancing medicine at home and abroad. Your generosity truly makes a significant impact, touches hearts and saves lives.

On behalf of the Board of Directors of The Canadian Shaare Zedek Hospital Foundation, thank you again for your generous support in 2017.

Wishing you a safe and happy holiday.

Warmest regards,

Lisa Colt-Kotler
National Executive Director

Happy Hanukkah!
