FACING
HISTORY
AND
OURSELVES

People make choices. Choices make history.

Ronit Holtzman
Jewish Foundation

Toronto, ON

Dear Ronit:

On behalf of everyone at Facing History and Ourselves, thank you for the generous donation of **\$10,000** received from the **Joseph Lebovic Charitable Fund** (cheque dated 7 May 2018). This gift helps Facing History deepen the foundation we are building in Canada.

This support enables us to meet an increasing demand for resources that ground the teaching of history in concepts that are relevant to issues that students face every day. Through the careful study of people and events, students gain an understanding of the complexities of human behaviour both past and present, and also learn the importance of becoming responsible members of society. As one Facing History student describes:

I've realized, we've been fighting prejudice for a long time. And even though it's hard, I know that I have a choice to do good in the face of hatred. I have a choice in how I treat people...I look for small ways, small choices to make a difference. And I believe that I can.

Facing History helps students to reach an understanding of history that will lead them to stand up and make the right choices in their own lives. By funding the work of Facing History and Ourselves, this donation will have a vital impact on the creation of effective education that will build a better future for everyone.

Once again, I would like to thank the **Joseph Lebovic Charitable Fund** for this generosity and invite you to visit **facinghistory.org** to explore the many ways in which this donation will make a difference.

Sincerely,

Leora Schaefer
Executive Director

S.P.

Dear Mr. Lebovic,

Your support is changing lives.

When you think about summer camp, it is hard not to picture the hundreds of young people who come home with smiles on their faces. They return with more than they packed: confidence, independence and a greater understanding of the people around them. There is something special about the lessons learned and the friendships gained at camp. Your transformative donation of \$10,000.00 is making this possible for six Amici campers this summer. Thank you.

"Some people say that camp is their home away from home. But for me it's the opposite. Camp is my home, and I can't imagine a summer without it. I've really learned so many things about myself and others. I would like to thank you with all of my heart for helping to bring me to a place where I can be completely me and for bringing me to a place that will always be a part of me." - Tayah, Amici Camper

This is the power of camp in action and the impact of your support. Thank you for helping children discover their full potential through the magic of summer camp.

Your donation will be recognized in our annual donors list as 'Joseph Lebovic Charitable Fund at the Jewish Foundation of Greater Toronto'. If you prefer to remain anonymous or if there are any changes to the way you wish to be recognized, please let us know by phone, (416) 588-8026, or e-mail, info@amicicharity.org, at your earliest convenience.

Thank you for your belief in the power of camp.

Dear Joseph Lebovic,

Thank you for your Title Sponsorship payment of \$58,000.00 to our inaugural Tee Off for TanenbaumCHAT Golf Tournament.

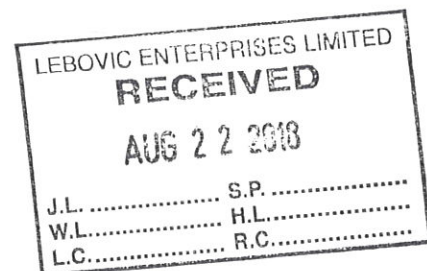

Generous gifts from donors like **YOU** provide the financial and moral support needed to advance our mission of preparing our students to live lives of high moral character, intellectual curiosity, Jewish commitment and civic duty.

The Golf Tournament offered us an incredible opportunity for the community to get together to not only raise funds for TanenbaumCHAT but to enjoy the camaraderie and community that a school like CHAT provides.

Your support has played a key role in our success and we couldn't have done it without you. We look forward to a continuing partnership.
Sincerely,
