

A lot of people love to complain about their bosses. I, on the other hand I only have to say that not only you are one of my favourite role model, but you are also simply a breath of fresh air.

You always have a new idea, lots of intelligence and Somehow...

you ARE ALWAYS RIGHT.!!!

Dear Dad,
Wishing you a happy birthday, a great day and a healthy year of celebrating.
I am so blessed to have you as my dad and want you to know how much I have appreciated all the care you have provide to me and now to my girls.
Watching you achieve so many accomplishments over the years has inspired me.
Your sense of humor, sharp wit, intelligence, kindness are just some of your character traits that I admire.
You are a great dad and I am so lucky to be your daughter.

Love you to the moon and back
Happy Birthday Dad!
