Mr Lebovic, I along with 4 friends, were honored to play in the Neil Murkar charity Tournament today! It was a pleasure to be welcomed into the club house personally by you!

We were overwhelmed with the condition and of the challenge that the course offered us. We were most satisfied and surprised by the fine quality of the food served to us. I must say that we enjoyed the cold drinks on the course and with our meal afterwards.

But we were mostly impressed with the service that we received from every service person on the property. The service with which they greeted us truly made the day special!

On behalf of my friends and I, we thank you and we look forward to playing Lebovic course again soon!

Sincerely,

Ray

Dear Mr. Lebovic:

On behalf of The Angel Foundation for Learning and our Board of Directors, I want to express our profound thanks for your generous contribution to our organization.

Over the past three years, your generous support hosting our Annual AFL Charity Golf Day has allowed us to raise almost \$140,000 to support our work assisting students across the City of Toronto. This year's tournament alone has raised \$43,000.

As one of the two largest school board affiliated educational foundations in Ontario, we have the unique, multi-dimensional responsibility to respect and represent the diverse needs and challenges of students and their families across the City of Toronto. Your support allows us to deliver on our core mission serving 1.2 million meals per month that feed over 60,000 each school day, and programs like the Loretto Fund that has helped to support the hundreds of newcomers from Ukraine and other countries engulfed by war and conflict. In addition, the Angel Foundation's Social Work Emergency Fund provides basic life essentials such as clothing, food, medication, eyeglasses, and shelter to our neediest students and their families throughout the academic year.

This summer, the Angel Foundation is proud to be able again to extend our *Food for Kids Home Nutrition Program* featuring \$50 PC grocery cards to all TCDSB students enrolled in the Summer Learning Program, MEDD Summer Program, and the over 3,000 counsellors and day campers attending Focus on Youth Programs in high priority neighbourhoods across Toronto. None of this would be possible without the financial support of caring individuals like you.

On behalf of the AFL Board of Directors and staff, thank you for being our partner in compassion and kindness. Together, we are powering the dreams of our students by nurturing their bodies and minds.

Thank you for being Angels among us and helping students soar.

Sincerely,

John W. Yan
Executive Director

Hi Maha,

Could you please pass this message along to Willy when he comes to the office.

Hi Willy

I have been thinking about you a lot since the terrorist acts in Israel. It has been sad and upsetting to watch a rise in antisemitism and it has made me think of the conversations we have had over the last few years about your passion for not only helping Jewish people directly but also ensuring that non-Jewish people see your good work and that it will help to suppress antisemitic sentiment. While I am not Jewish and can't imagine how Jewish people must feel, my husband is Jewish and my children bear witness to antisemitism. So, more than anything I just wanted to say thank you.

Hope you are well.

Dear Mr Lebovic,

I hope this letter finds you well. On behalf of The Centre for Dreams, I am writing to express our heartfelt gratitude for your invaluable support and partnership in hosting our inaugural charity golf event at Lebovic Golf Club last year. It was a tremendous success, and we were able to raise crucial funds for our organization's programs that serve youth and adults living with developmental disabilities.

The Centre for Dreams, as you may already know, is a non-profit organization dedicated to providing inclusive and life-enriching programs for individuals with developmental disabilities. Our mission is to empower these individuals to reach their full potential, lead fulfilling lives, and become active members of our community. Through the generosity of partners like Lebovic Golf Club, we have made great strides in fulfilling this mission, positively impacting the lives of many.

We are thrilled to announce that we are preparing for our 2nd Annual Charity Golf Classic and would be honored to return to the beautiful grounds of Lebovic Golf Club. The experience and support we received during our first event were instrumental in its success, and it is our hope that we can count on your continued partnership.

We anticipate an even more successful event for our 2nd Annual Charity Golf Classic. Our goal is to not only surpass last year's achievements but also to strengthen the bonds of community and goodwill that this event fosters. The funds raised from this tournament will enable us to expand our programs, provide more opportunities for our participants, and make a meaningful impact in their lives.

We kindly request your consideration in allowing us to host our event once again at Lebovic Golf Club. We deeply appreciate your support in the past and believe that together we can make a positive difference in the lives of those we serve. We assure you that your generosity and hospitality will be acknowledged and celebrated throughout the event.

Please let us know your availability to discuss the details of the 2nd Annual Charity Golf Classic and how we can collaborate to make it an even more significant success. We would be delighted to meet at your convenience to further explore this opportunity.

Once again, thank you for your continued support and for being an essential part of our journey to make dreams come true for individuals with developmental disabilities. Your contribution to this noble cause is truly appreciated.

If you have any questions or require additional information, please feel free to contact us at 905-209-9092 et. 222 or michelle@centrefordreams.ca.

Thank you for considering our request, and we look forward to the possibility of hosting our event at Lebovic Golf Club again. Together, we can create a brighter future for the individuals we serve.

Sincerely,
